

Living the Life You Love

Western Star is a lot like you. We love building trucks as much as you love driving them.

There's only one of you. There's only one Western Star. Other trucks may be built for the open road. A Western Star is built for life...your life.

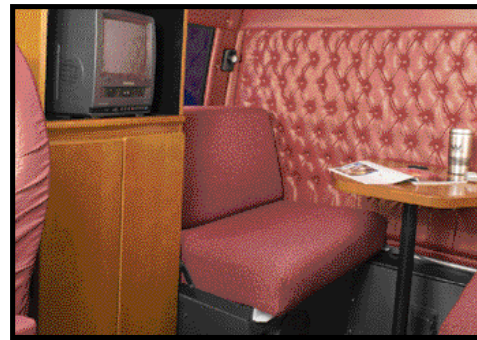

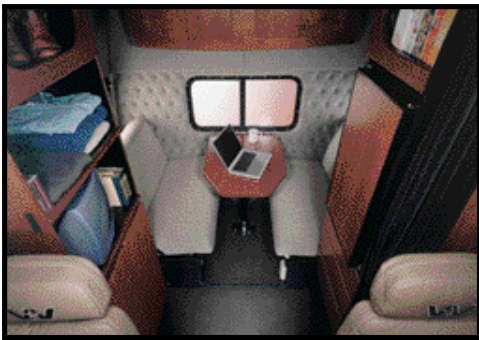

You can't love a Western Star too much.

Owner/Operator

WESTERN STAR TRUCKS

Living the Life You Love

We're proud to offer over 8,000 individual options. But we're just as proud to say that there's one thing that comes standard with every truck we make — Western Star quality and craftsmanship.

The Western Star Cab

It's an Owner/Operator favorite. Big and beautiful. Built to last.

- **Monocoque design** for greater cab size, strength and durability.
- **Automotive type door hinges** for a clean, flush look and enhanced reliability.

Premium Starlight Sleepers

You won't get a better night's sleep anywhere...until you get home.

- **Seamless design** provides more sleeper space and a first-class finish.
- **Aluminum/Composite aerospace technology** makes our sleepers lighter, more durable and corrosion resistant.
- **Models and Sizes:**
 - Ultra Low Roof: 48" and 62"
 - Low Roof: 34", 48" and 62"
 - High Roof: 48", 62" and 76"
 - Ultra High Roof: 76"
 - **Stratosphere Walk-Through:** 68" and 82" features plenty of head room, even for 6-footers, accommodates roof-mounted air horns and marker lights

Star Gauge Instrumentation

Swiss-made stepper motors for unmatched accuracy, high reliability and low maintenance.

- **Star Gauge System** instrumentation can be customized to your liking. Gauge locations can be easily changed at any time.
- **Optional DataStar Driver Message Center** offers a user-selected display of vital vehicle performance, engine data and driving functions.

Robust Wiring

Electrical wires are laser-etched with alpha-numeric codes that are easy to identify and will last the lifetime of the truck.

- Wiring is routed and fastened up from the frame rail, minimizing corrosion-causing moisture.
- **In-cab electrical panels** are located in the center of the dash for ease of service.

If You Want It, We'll Work To Build It.

We have a can-do attitude for developing customized solutions to meet your needs. A good example is the **LowMax**, made to order for the discriminating Owner/Operator...with premium options available only through Western Star. Available in 4900 EX and FA configurations.

Over 300 Western Star Dealers

Our dealers are ready with provide outstanding parts and service. They are supported by 7 parts distribution centers strategically located in the U.S. and Canada. Many are open 24/7.

Customer Assistance Center

The CAC Provides Total Customer Support, the new service standard for the industry.

- Our Customer Support Representatives are able to arrange **roadside assistance** or towing service most anywhere on the road, 24/7.
- Our representatives are also an **information resource** to answer questions concerning parts orders, directions to dealers, and questions about parts, technical, warranty, product literature or customer programs.
- Call the Customer Assistance Center at **1-866-850-STAR**.

Custom Financing

Financing can be as individual as your truck specs.

- **DaimlerChrysler Services Truck Finance** offers a full range of financing options, including flexible financing packages, custom designed for the individual Owner/Operator.
